Objective

A passionate Computer Engineering fresher who enjoys turning ideas into functional applications. Actively seeking an opportunity to work in a challenging environment where I can enhance my technical skills, collaborate with a team, and contribute to real-world projects.

Education

B.E. (Computer Engineering) Feb 2022 – Jun 2026
Jagadambha College of Engineering and Technology, Yavatmal **CGPA: 7.23**

HSC (Class XII) May 2021 – Jun 2022
The English Junior College, Ner **Percentage: 73.17%**

SSC (Class X) Jun 2019 – May 2020
The English High School, Ner **Percentage: 81.20%**

Technical Skills

- **Programming Languages:** Java
- **Frontend Development:** HTML, CSS, JavaScript, React.js
- **Backend Development:** Spring Boot, Node.js
- **Database Management:** MongoDB, MySQL
- **Tools & Concepts:** VS Code, Eclipse, Git, Object-Oriented Programming (OOP)

Projects

Code Sync – Collaborative Code Editor
Tech Stack: React.js, Node.js, MongoDB, Socket.IO

- Developed a platform allowing multiple coders to write, edit, and debug code together in a shared online environment.
- Implemented two user roles: Host (leader) and Normal Users with predefined permissions to maintain control.
- Enabled students and developers to collaborate remotely and learn from each other in real-time.

Alumni Management System
Tech Stack: React.js, Node.js, MongoDB

- Created a single digital platform to store alumni profiles with contact details, education, and profession.
- Enabled institutes to send updates, newsletters, and job postings through email/SMS/social media.
- Facilitated connections between current students and alumni for career guidance and internships.

Training & Certifications

Certificate Course in Java Feb 2025
DISHA Computer Institute (ISO 9001:2015 Certified) **Secured 95%**
